

Warehouse/Labelling Equipment Support.

Sessions Craft Canning – Mississauga, Ontario

Position: Warehouse & Shrink Sleeve Can Application Equipment.

Start: Immediately

Compensation: Above industry average hourly rate

Sessions Craft Canning is seeking a hardworking and reliable individual to fill the role of Warehouse support & shrink Sleeve can applicator. This is an exciting opportunity to join our growing team at Ontario's first mobile canning company and gain valuable experience working in the craft beer industry. The ideal candidate is someone who is a team player, passionate about craft beer, is detail-oriented, mechanically inclined and looking to gain experience within the supplier side to the beer industry.

Responsibilities:

In a warehouse and can application support role, you'll serve an important support role for the lead Shrink Sleeve line operator. Tasks include:

- Setup and takedown of equipment at the start of each day.
- Organizing labels based on the production schedule for the day/week
- Working the depalletizer to provide the labelling line with a steady supply of cans throughout the day
- Extensive cleaning and sanitizing of the equipment
- You'll work closely with the lead operator to learn the shrink sleeve line and eventually be able to work interchangeably during the day with the lead operator and/or run the line independently

Warehouse activities including, but not limited to:

- Organizing inventory, accepting deliveries, working the shrink sleeve equipment, maintenance and preparation of equipment, cleaning duties in warehouse.

Requirements:

If the following sounds like you, we'd love to hear from you:

- You have previous brewery or packaging experience
- You have the mechanical skills to troubleshoot and repair equipment on site
- You take pride in your work and go the extra mile to get a job done right
- You have good people skills - you're customer driven and results oriented
- You know that long, irregular hours are commonplace in the beer industry
- You like to troubleshoot equipment and are resourceful with tools
- You're able to work on your feet for long hours and lift/move heavy objects
- Forklift experience or license is an asset

About Us:

Sessions Craft Canning is Ontario's first mobile canning company that provides craft breweries (and cideries) with a full service packaging solution so they can focus on making great beer.

To apply, please email your cover letter and resume to jobs@sessionscraftcanning.ca

Only those chosen for an interview will be contacted
